To whom it may concern,

The East Macomb Chapter of the Michigan Association of Retired School Personnel (EMARSP) wishes to award four \$750.00 scholarships to deserving Macomb County public high school students who are planning to attend a Michigan college or university, or trade school in the fall.

In order to make this possible, we are asking for your help in encouraging students from your high school to apply, using the enclosed forms. Our decision will be based upon the student's financial need, scholastic performance, extracurricular activities, personal statement and written references.

After the deadline of March 31, 2023, our Scholarship Committee will select four deserving students from the applications that have been submitted. The student's statement of his or her educational plans will help the scholarship committee should there be a tie.

We are looking forward to awarding the scholarships before the spring semester ends and will send a letter to the school counselor and the student who is selected.

Thank you for your assistance. If you have any questions, please contact Carole Bannister at 586-246-2732 (text) or email at cbannister6716@wowway.com.

Sincerely,

Carole Bannister, 1st Vice President & Chairperson

EMARSP Scholarship Committee
